

## The Libertarian Party asks: WHAT KIND OF AMERICA WILL WE LEAVE OUR CHILDREN?

Will it be one full of stifling laws and bureaucracy, with an ever-increasing tax burden - or will it be one where they may live and work here, free to reach their highest potential, unencumbered by needless government programs, free to spend their earnings as they please?

We, as **Libertarians**, maintain that you own yourself and the fruits of your labor and that government exists only to protect individual rights through limited functions such as police, armed forces to protect the nation, and the courts.

Our state and national platforms seek to place most of the responsibility for things that government does today back in the private sector, as it was when America was founded.

**Alaska Libertarians were responsible for ending the state income tax and for establishing the Permanent Fund.** Vote Libertarian, and register to vote with your party choice marked "Alaska Libertarian Party," so we can do more.
